

HOME-

DEAR AUTHOR, Looking to publish your book- start here.

BOOK DOULA'S role is to support you, when you need

ABOUT US-

BOOK DOULA refers to bookbirthing. We are the one to **help a would-be author get their book published** and to offer advice and support throughout the process.

Our vision is to offer **Professional Educational Material**, which sharpen the knowledge acquiring skills based on their potential. Though our ultimate aim is to provide educational material for **Engineering, Arts and Science students**, the way it emerges been a unique for professional way of learning.

We believe “all students are not alike, no two students can learn in identical way”. Hence we focus on the academicians and researchers whose effort to activate learning at all levels like Remembering, Understanding, Applying, Analysing, Evaluating and Creating by their self-learning material.

We distinguish ourselves from agents and editors, been a new publishing service to help emerging authors with our guidance, support, encouragement, empowerment in area of editing, proof-reading, cover design and interior formatting.

We provide **opportunities for fresh first time authors** as well as established authors to enhance their our profile and develop professional learning material for students.

We promise students that **books** to be published here definitely **meet out exact curriculum syllabi** and by the way indepth knowledge attainment.
